

## Raclette module

### Operating manual & safety instructions

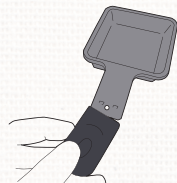

**Important:** Before installing the module, carefully read the operating manual & safety instructions for the Schweizer Taschengrill.

#### CONTENTS

1 x raclette spatula, 1 x handle, 2 x brackets

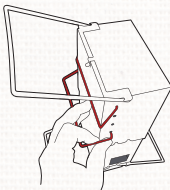

#### Step 1:

Slide the handle onto the raclette spatula.

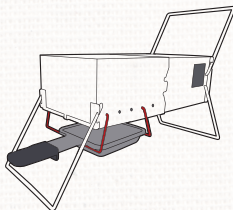

#### Step 2:

Before lighting the Schweizer Taschengrill, place it upright onto the two grill feet and hook the two brackets into the **first** and **fourth** holes, respectively.

#### Step 3:

When the Schweizer Taschengrill is ready to use for grilling, place the raclette spatula into the two brackets.

## Safety instructions

The grill **must not be used in closed rooms**. Disregard can cause smoke poisoning and death.

Only use **firelighters to light up**, never use **methyalted spirits or gasoline**. Never spray **liquid igniters** into open fire or ember.

The grill may contain **sharp edges** which might cause cuts.

**The grill is getting hot!** Once lit, do never touch with bare hands.

Use **supplied grilling tools** and **fireproof pad**. **Attention: ember could fall out.**

While grilling, **do not leave the grill unattended**. Keep children and animals out of reach.

**Let the grill completely cool down** before cleaning and packing up.
